8	Very interesting and mind opening especially from a non-business oriented person.	Hamba Allah
9	Very important for Muslims who run business especially in a western corporation / company.	Muhammad Asana
10	The current crisis is not caused by some external. It was generated by the system itself.	Zaharah Hj Md Saidi
11	Brave	Hamba Allah
12	Very very useful for my business (I'm starting a business).	Oli Mohamed Syed Abu Bakar
13	The topic is interesting, an eye-opener to the Muslim entrepreneurs. Good idea to take over KFC USA!!!! By the way is KFC Philippine HALAL?????	Rosmah Hamdan
14	Development of halal industry may not tribe in a crisis environment	Mindano Philippine
15	Interesting perspective on the business jihad	Attier
16	Its very interesting. I think this is the only topic that caught my attention fully	Nor Irrafidah Hj Ismail
17	Very relevant and appropriate for the halal industry as a whole.	Idris Abd Hamid
18	I totally agree with Tan Sri's presentations. It really an eye opener especially on 'westoxication' and how we can combat that without resorting to violence measure.	Desimawan Haji Metali
19	The topic is quite good. More knowledge about it. It shows that the topic even looks so simple but the contents are really precious.	Hjh Siti Rahimah Hj Dul Samat
20	This topic basically highlights on the values and immoral business behavior universally. A great awareness is clearly exposed.	Hjh Nur Aminahni Hj Awang Md Taib

NO.	ANSWER	NAME
21	It is true that we want to find solutions for the crisis. This can be done or achieve not by doing more harm to others but doing something that make benefit for all, therefore this topic is very helpful to give inspiration to the people who to do business and at the same time helping others.	Siti Norliyana Hj Mat Salleh
22	I like this topic because it really interesting and it help me to know more about business in Islamic ways. Gives me many things and improves my knowledge.	Norasillah Othman
23	Interesting because this is the first time I heard the word 'Business Jihad' and 'Corporate Waqaf'.	Norlina Binti Ahmad
24	A wide topic to be discussed and some issues are newly discovered. The concept of corporate waqaf is certainly an issue not to be ignored.	Siti Nazurah Maidin
25	Yes good topics & right time at current crisis situation	Roziah
26	Very good topic. Turning the world product to halal industry	Matzaini Hj Juna

QUESTION 3 : Do you agree with the issue and opinion on Business Jihad and Corporate Waqaf ? Why?

BIL	ANSWER "YES"	NAME
1	Yes, a Muslim is willing to sacrifice everything only to eat halal food and this is halal way	Sani D. Musfafa
2	For the benefit of future generation	Jesus Antioning Derive
3	Agreed, but need further understanding coz it was just a surface presentation.	Muhamad Akramin Yusof
4	I agree with some issues, but generally those are new idea to develop the Islamic business and system.	Dyiah L.A
5	Yes, very good concept and way of running a business	Mr. Yusof Daun
6	I agree. Because it is not only improving in business aspect, it's also improving external and internal each individual itself. Fewer gaps between rich and poor.	Hj Marsidi
7	Yes, because doing business is not aim only for profit but at the same time we should help others who needs help or support.	Md Faizal Hj Zaini
8	Yes, because what we eat must be halal as of our faith in Islam.	Hamba Allah
9	Yes, we have to plan it carefully and consistently.	Muhammad Asana
10	Reduce the govt. expenditure. Reduce westoxication.	Zaharah Hj Md Saidi
11	Yes, Good Islamic approach	Hamba Allah

BIL	ANSWER "YES"	NAME
12	Really agree because the corporate waqaf really incorporate halal values and system and trying to bridge gap of poor and the rich. The waqaf concept is very good.	Rosmah Hamdan
13	Yes fully agree with the issue	Mindano Philippine
14	Some issues are debatable	Mohd Hadi Shafie
15	Yes, it's time to change the ways of doing business in the modern world	Attier
16	Yes, I do especially not to make rich people (economy) richer/the poor people (economy) poorer but to eliminate massive inequality amongst the people in the society / economy. To circulate the wealth nest only to the rich people (economy) but also the poor.	Nor Irrafidah Haji Ismail
17	This is the way for all business involving Muslim should be carried out.	Idris Abd Hamid
18	Basically yes, through business jihad and also corporate waqaf, it might help the society for better life and seems like through 'corporate waqaf' muslims and non-muslims could be together live in one country of society. For example, the hospitals and the mosque were built. Congratulates !!!! And Alhamdulillah....	Rosidah @Siti Binti Bahrin
19	Yes, because corporate wakaf can reduce capitalism. Its more to Islamic policy. It shows that even both of them can be together but corporate wakaf is more effective rather than Business Jihad.	Hjh Siti Rahimah Hj Dul Samat
20	Yes I do. In Islam we're only considering business as money hub also as sedekah. Business jihad & corporate waqaf is a very good approach.	Filzah Husna Hj Abd Khani
21	Agree...Because this system not only focus on making profit but also giving something to people (sharing the benefit with others) and hence it is not a bad idea.	Siti Norliyana Hj Mat Salleh
22	I'm totally agreed with it because it can help the flow of business to globalization and they also helped the poor people. And business that follow the Islamic philosophy they will successful with bless from Allah.	Norasillah Othman
23	Yes, I agree with the issue on Business Jihad and corporate waqaf because they can help poor people.	Norlina Binti Ahmad
24	The moral and ethic components of Business Jihad were discussed very clearly and might become more interesting if it is discussed further – The issue on corporate waqaf on the other hand, however needs to be clarified.	Siti Nazurah Maidin
25	Yes they contain facts of life we as Muslims should be moving towards Islamic way of life.	Roziah
26	As Muslim, I'm fully agreed on the opinion of 'business jihad' and 'corporate waqaf'.	Matzaini Hj Juna

QUESTION 4 : Overall comment / suggestion?

BIL	ANSWER	NAME
1	Excellent presentation.	Jesus Antioning Derive
2	This approach should be taken up by the religious body to spread the initiative and hopefully will be adopted voluntarily by businesses (big or small)	Muhamad Akramin Yusof
3	Excellent	Dyiah L.A
4	Well presented & very good topic.	Mr. Yusof Daun
5	I hope this project will be supported or accepted by public. My suggestion - more halal restricted outsider business for example KFC.	Halimathon Dato' Haji Sulaiman
6	Really opening my mind about the halal food and it's important role in economic growth.	Md. Faizal Hj Zaini
7	Praying that one day halal foods and products can be consumed all over the world regardless who you are. Amin!!!!	Hamba Allah
8	'Business Jihad' and 'Corporate Waqaf' give us the justification on my belief	Muhammad Asana
9	Imbedding halal & amanah into business/corporate life entrusting amanah to the best	Zaharah Hj Md Saidi
10	Ideology should be expanded to Muslims all over the world – unity.	Hamba Allah
11	I like this conference. Should be two times in every year. The explanation is very useful idea, gave us very energetic and encourage very well. Thanks.	Oli Mohamed Syed Abu Bakar
12	Very interesting topics and speaker. Would like to see him again for different topics next halal conference. This is my 2 nd time attending his talks. The first in Singapore.	Rosmah Hamdan
13	Anti-western where it should be anti-capitalism instead.	Mohd Hadi Shafie
14	Excellent presentation. It opens my eyes on the Islamic ways of how to run a business that generates halal source of income.	Attier
15	Bravo!!!! This is the only topic the can attract our attention. This topic is an eye opener to all muslim all over the world. Nothing is impossible for muslim around the world to pursue into business world.	Nor Irrafidah Hj Ismail
16	Overall, the speech presented is quite good for us some of the points motivated us to be aware of what halal industry is and differentiate between Islam and business aspect. At last, best of luck!!!! TQ	Rosidah @ siti Binti Bahrin
17	It's very interesting and clear. All the points are really important. It is quite simple and excellent presentation.	Hjh Siti Rahimah Hj Dzul Samat
18	Good luck, KFC!!!!	Flzah Husna Hj Abd Khani

BIL	ANSWER	NAME
19	It is greatly hoped that more halal products can be made available in other non-muslim countries, mainly in countries where there is a tendency of muslim-students to further their studies, especially in United Kingdom, Australia, etc	Hjh Nur Aminah Hj Awang Md Taib
20	I hope all the businessman/women into the business jihad and corporate waqaf because this business is really good and can make them more successful.	Norasillah Othman
21	If another opportunity comes, the issue on corporate waqaf concept and Business Jihad should be discussed in an appropriate time allocation because these are the topics very few presented to the public.	Siti Nazurah Maidin
22	Companies that have similar concepts and values should combine efforts to expedite and stranger the Business Jihad concept and proper the corporate waqaf philisophy	Rosli Osman
